About Us

NKA team comprises experienced academicians and highly trained staff and a unique curriculum based on developmental domains. We make sure that the children develop thinking, reasoning, writing, speaking skills early by allowing them to learn as they do.

Our Curriculum Development Domains

✓ **COGNITIVE**

✓ **PHYSICAL**

✓ **LANGUAGE**

✓ **SOCIAL AND EMOTIONAL**

✓ **ENVIRONMENTAL**

✓ **CREATIVE**

Our Mission

Our mission is to provide holistic growth of a child in a safe, respectful and inclusive environment that builds foundation for life

Our Vision

- ✓ To provide a safe happy, caring, secure and stimulating environment for a child.
- ✓ Our program is based on holistic approach that enables each child to develop their social, physical, emotional and intellectual abilities.

Our Infrastructure

"Your Child's Second Home"

- Well lit safe and spacious classrooms.
- Spacious AC indoor play area.
- CCTV coverage.
- Ball room
- Student teacher ratio 1:15.

Our Teaching Philosophy

Children learn best when they explore, discover and do. We at NKA let the kids be themselves and engage them with their interest of learning.
